

# CUSTOMER WARRANTY REGISTRATION

## Stonemark® 20-YEAR LIMITED WARRANTY REGISTRATION PROCESS

Upon completion of your countertop installation your fabricator will hand you the following documents:

1. The Home Depot Stonemark Warranty
2. The Warranty Registration Document which includes your Warranty Access Code
3. Care and Use Brochure

These instructions are for the online registration of a Home Depot Granite Program warranty by a customer. Customers can also complete their warranty registrations manually by filling in the Warranty Registration Document left for them by their installer when their granite was installed, and faxing it or mailing it to the number/address listed on the Warranty Registration Document. Warranty must be registered within 60 days of countertop installation.

For Online Customer Registration:

1. Obtain your **Warranty Access Code** from the printout your fabricator left you of the registration and warranty documents. This info is near the top of the Warranty Registration Document under the header 'Register Online:'. If you do not have your Warranty Registration Document or your Warranty Access Code, you can click on the link provided in the email sent by your Home Depot granite Distributor to complete your registration online and skip to step 3 of these instructions. If you did not receive an email notifying you of your warranty registration process, contact your fabricator and they can obtain your Warranty Access Code for you.
2. Enter your **Warranty Access Code** in the box on the Home Depot Granite Program Warranty Registration page. Your warranty registration will appear on the screen, with the information the installer has already completed.
3. In the Customer Information section of the screen, you will see several entry boxes for your information. If your fabricator had this information when they started your registration, they may have entered all or some of it already. If so, please check to see that it is correct. If it is not, please edit any information that is incorrect. If your fabricator did not fill in any of your information in the Customer Information section, please do so now. The required fields have a red asterisk by them. Click on the box certifying that you have read and agree with the terms and conditions of the Home Depot Granite Program Warranty. If you have not yet read them, you can do so by clicking on the 'terms and conditions' link by the checkbox. Finally, click on the 'Register' box at the bottom of the screen.
4. You will see a confirmation screen showing all of your warranty details and confirming that your registration has now been submitted for validation. Validation should take approximately 5 days, and you will be notified by email or regular mail when your warranty has been validated. You can print this confirmation screen for your records using the print function of your browser.

## WARRANTY COVERAGE

Daltile warrants the warranty to the purchaser of a polished granite countertop (the “registered owner”) of a Stonemark granite countertop (the “countertop”) that the countertop will be free from material integrity defects under normal conditions and use and stain resistant to stains caused by common food and beverages (“covered claims”) for a period of 20 years from the date of installation of the countertop (the “warranty period”).

## YOUR WARRANTY AND REGISTRATION

To receive coverage under this limited warranty, the countertop must be:

- Owned by a registered owner;
- Paid for in full, as evidenced by a valid proof of purchase (the original receipt for the countertop from the fabricator/wholesaler the registered owner purchased the countertop from);
- Installed by a fabricator using StoneGuard HD Sealer, in accordance with established industry standards, as evidenced by fabricator signature on warranty registration form certifying such installation;
- Registered within 60 days of installation of the countertop by the homeowner, who can complete registration online, by fax or mail. Upon validation of purchaser’s warranty registration, purchaser will be sent a confirmation via email or a postcard via mail.
  - \* Please note: the fabricator will begin the warranty registration by completing the installer and product sections either on the printed document or online through The Home Depot Stonemark website (<http://warranty.daltileproducts.com/>).
  - \* The owner of the countertop becomes a “registered owner” by completing the warranty registration form section of the printed document or online through The Home Depot Stonemark website (<http://warranty.daltileproducts.com/>).

## WHAT WILL WE DO

Upon Daltile's receipt of a warranty claim from the registered owner, and upon determination that the registered owner's claim is a covered claim, Daltile will:

- In the case of a food or beverage stain, the fabricator will send a representative out to the registered owner's home to determine if the problem is within the bounds of this warranty. If it is, they will attempt to remove it. This may involve multiple trips.
- In the case of any inherent structural material integrity claim, the fabricator will send a representative out to the registered owner's home to inspect and try to resolve the problem.

If the problem resides outside of this warranty, neither Daltile nor the fabricator will be liable. If the fabricator/Daltile is unable to resolve a covered claim after performing the foregoing actions, Daltile will choose to either:

- a) replace the granite piece(s) of the countertop affected by a covered claim with the same or a comparable product, or
- b) refund to the registered owner the purchase price of the countertop. Natural granite varies from piece to piece and Daltile makes no assurance to registered owner that any such replacement granite will match the countertop installed in the registered owner's home. Any replacement granite provided by Daltile to the registered owner under this limited warranty will be covered under this limited warranty during the remaining warranty period.

If the granite is replaced, the registered owner is responsible for detachment and reattachment of plumbing, electrical, backsplash or any other ornamentation attached to the countertop.

Daltile makes no warranty, express or implied, as to the fitness or merchantability of the countertop for any particular use or purpose other than as set forth expressly herein.

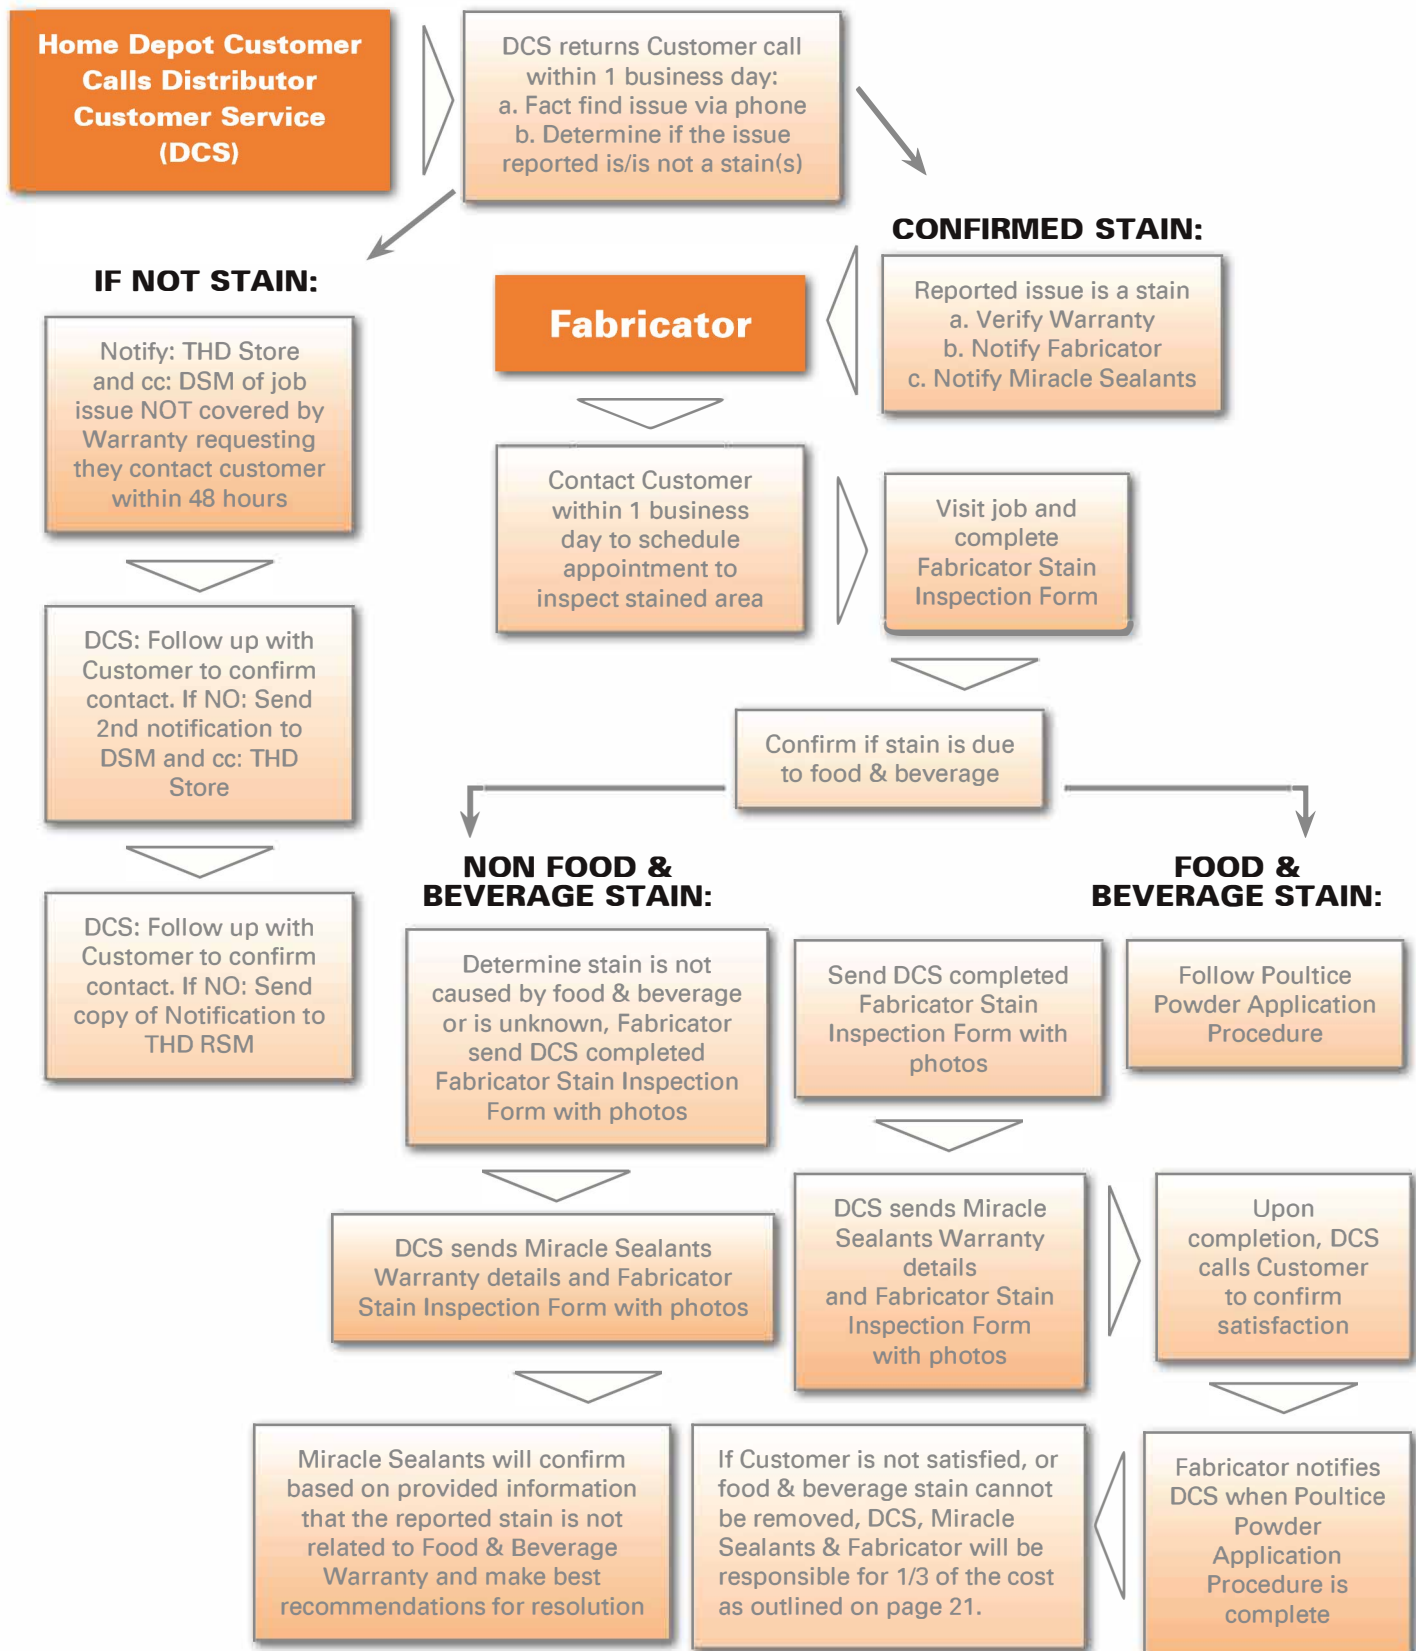

Daltile shall not be liable for any special, indirect, incidental or consequential damages, losses or expenses arising either directly or indirectly from the failure of the countertop.

Daltile shall not be responsible or liable for any delays that may arise in performing Daltile's obligations under this limited warranty due to any cause beyond Daltile's control, including without limitation, acts of God, acts of governments, material shortages or delays, fires, floods, or labor problems.

This limited warranty gives the registered owner specific legal rights, but they may also have other rights which vary from state to state depending on the state in which the registered owner lives.

## WARRANTY PROCESS MAP

# FOOD & BEVERAGE STAIN WARRANTY CLAIMS

## IN THE EVENT THAT A FOOD & BEVERAGE STAIN OCCURS

- Step 1)** The Distributor's Customer Service (DCS) will speak with the Registered Owner (Customer) to obtain details and start a file on the customer's issues. Customer will submit pictures (when possible) to the DCS for evaluation.
- Step 2)** Once it has been determined that the reported issue is a stain, DCS will verify the Warranty and notifies the Fabricator and Miracle Sealants.
- Step 3)** Fabricator will contact the Customer within one business day to set up an appointment to inspect the stained area.
- Step 4)** Fabricator will visit the job and complete the Fabricator Stain Inspection Form.
- Step 5)** If the Fabricator confirms that the stain is due to food & beverage, they will follow the Poultice Powder Application Procedure.  
Note: Only Miracle Sealants products are authorized to be used in stain removal.
- Step 6)** After initial Customer job visit, the Fabricator sends DCS the completed Fabricator Stain Inspection Form with photos.
- Step 7)** DCS send Miracle Sealants the Warranty details and Fabricator Stain Inspection Form with photos.
- Step 8)** Fabricator notifies DCS when the Poultice Powder Application is complete.
- Step 9)** DCS calls the Customer to confirm satisfaction, and notifies Miracle Sealants of completion.

### ADDITIONAL NOTES:

- If the Customer is not satisfied, or the food & beverage stain(s) cannot be removed, the Distributor, Fabricator, and Miracle Sealants will be responsible for 1/3 of the cost of the tear out, fabrication, installation, and stone material only on the piece where the food & beverage stain could not be removed. Replacement of the whole countertop may be required in some cases. In all cases, the material will be replaced at the non-retail cost.
- For all food & beverage stains, Miracle Sealants will test the provided Batch Code/Serial Number for any manufacturing defect. The results will be provided to DCS. If testing shows that the food & beverage stain is a result of a manufacturing defect of the sealer then Miracle Sealants agrees to cover 100% of the cost of the material and installation of the stained piece.
- If it is determined that the stain is not food & beverage related, DCS will provide Miracle Sealants with the DCS send Miracle Sealants the Warranty details and Fabricator Stain Inspection Form with photos. Miracle Sealants will confirm based on the provided information that the reported stain is not related to Food & Beverage Warranty and make the best recommendations for resolution.
- Miracle Sealants Food, Ink, Mildew, & Oil Stain Remover (poultice powder) is provided free of charge to the Distributor. Distributor will distribute the poultice to the Fabricator.
- Additional Miracle Sealants poultice & products are available through the Distributor.
